Monsieur

Having the occasion of this letter I would
not omit to acquaint you of my safe arrival and good journey
home ~~was~~ which was upon sabbath last, By reason I remained
in Jaroslaw one whole day, I wrote to you all large from -
Jaroslaw, to which all path I Roshow we have hired an Extra
ordinary Bad markott, and none of our friends is come home
from Transilvania, you not waking people is not to be
dreaded of, so that we are more taken up with playing my
karts and blowing Tobacco as telling of money, Samuel Kilman
owner with Mark. Dawidowicz and Saliel Wolowicz, sagen wir

of my proceedings y^e tho a ~~little~~ confusedly not being
at that tyme in Capacitie, Being nobly intertined
By our worthy friend Mr Arkenhoff with wine &
Hungaria of the Best where I did not forgett your
Good health y^e by wishing you to have bin one partake
of the same with us, here I have received from Mr
Burnett s^r 150 s^r for the rest in Bell which ye have
ordered for my accompt, your letter to Mr Thomsons
in his absence to his beloved I delibered who promised
to give you an answer y^e to seeing himself is gone
for dantzic, so nothing to be expected from him
your w^{ch} I shall take alongst with for dantzic
and Requise satisfaction from him according to your order
Received shall dispoⁿe upone the same according to your
information, and shall strive to obey your memoriall
according to my power, we have had werry Good Joyning
as yett Brabe we rather not werry Hooke Butt my health
sorboth me werry slightly, I am pitiefully tormented with
ane great paine in my stomach tho I give no occasi^on
y^e to y^e am werry Circumspect in every thing th^{at}
may prevent the same, yett dooth nott Refuse ane
Good Glass of old wyne where I can have itt nabbe
yett litle to be had, I was Earnest with Hiltmer
that he should have made satisfaction according to your
letter butt he shew me he hath payed to Alex^r Sum^r
according to your servants orders 150 R^x upon y^eth I asked
Mr Sum^r who shew me it was so the rest he
promiseth in short to make you satisfaction
